EXPERIENCE

Junior Software Engineer

NexKraft Technologies

March 2025-Present

- Developed **interactive, user-centric web applications** with React.js and Next.js, enhancing engagement and usability across platforms.
- Engineered responsive, **pixel-perfect UIs** with Tailwind CSS, ensuring seamless UX on all devices.
- Optimized performance** and load times through lazy loading, code splitting, and efficient state management (Redux/Context API).
- Integrated RESTful and third-party APIs for **real-time, dynamic data flows** and enhanced interactivity.
- Collaborated in cross-functional teams to **ship scalable features** and implement component-based architectures for maintainability.
- Contributed to **backend logic and API development** using Node.js, Express.js, and MongoDB, supporting full-stack workflows.
- Leveraged Git, CI/CD and Agile practices to deliver high-quality releases on tight timelines.

Frontend Developer Intern

NexKraft Technologies

December 2024-February 2025

- Assisted in developing web interfaces using **React.js, Tailwind CSS** and **JavaScript**, contributing to real-world projects under mentorship.
- Collaborated with senior devs to build reusable UI components and fix bugs, improving overall **codebase quality and maintainability**.
- Integrated basic API calls to fetch and display dynamic content, gaining practical experience with **REST APIs** and **asynchronous operations**.
- Participated in daily stand-ups and sprint planning, gaining hands-on experience with **Agile workflows** and version control (Git).

PROJECTS

School Management System

<https://schoolmanagement.nexkraft.com/>

- Responsive** School Management System built with **React.js, Redux** and **Tailwind CSS**, enhancing user experience across **admin, teacher** and **student** roles.
- Dynamic state management** with **Redux** to streamline complex workflows like **student enrollment, teacher assignment** and **class scheduling**.
- Designed and optimized **reusable UI components**, ensuring **consistent styling** and **rapid scalability** across multiple modules.
- Integrated **responsive layouts** and **mobile-first design principles**, ensuring **cross-device compatibility** and improved **accessibility**.

My Portfolio

<https://minjamin-ahmmmed-portfolio-nextjs.vercel.app/>

- Sleek, responsive portfolio website** built using **Next.js**, showcasing **personal projects** and **web development skills**.
- Implemented **mobile-first design** with **responsive layouts**, ensuring optimal experience across all devices.
- Featured **detailed project showcases**, demonstrating expertise in **React.js, Next.js, Tailwind CSS** and **full-stack development**.
- Optimized website performance**, ensuring **fast load times** and **smooth user interactions** for improved **user experience**.

Easy Bus Ticket System

<https://easy-bus-ticket-website.netlify.app/>

- Built a fully functional **bus ticket booking system** using **vanilla JavaScript, HTML** and **Tailwind CSS** with **dynamic seat selection** and **real-time pricing logic**.
- Implemented **interactive UI components** without frameworks, showcasing strong **DOM manipulation** and **event-handling skills**.
- Optimized **user experience** with **responsive design**, ensuring **mobile-first accessibility** and **intuitive booking workflows**.

SUMMARY

Passionate Front-End Developer with a strong foundation in modern web technologies and a deep dive into backend development. Proficient in React.js and Next.js, with expertise in HTML, CSS, and JavaScript to build dynamic, responsive applications. Skilled in integrating APIs and modern front-end libraries to create scalable, user-centric designs. Additionally, experienced in backend technologies such as Node.js, Express.js, and MongoDB, enabling seamless front-end and back-end integration.

EDUCATION

B.Sc in Computer Science & Engineering

University of Asia Pacific

06/2020 - 06/2024

Green Road, Dhaka-1216, Bangladesh

- CGPA: 3.65 out of 4.00

Higher Secondary Certificate

Rajshahi Govt City College

05/2017 - 05/2019

Rajshahi-6000, Bangladesh

- GPA: 4.50 out of 5.00

SKILLS

HTML5	CSS3	Bootstrap5
Tailwind CSS	JavaScript	
React.js	Next.js	Redux
Node.js	Express.js	MongoDB
Git	Github	

COURSES

The Ultimate React Course: React, Next.js, Redux & More

Instructor: Jonas Schmedtmann
Udemy.com

Node.js, Express, MongoDB & More: The Complete Bootcamp

Instructor: Jonas Schmedtmann
Udemy.com

AWARDS

Vice Chancellor's Award

Spring 2023, Fall 2022

- Recognized for academic excellence with a GPA above 3.90, awarded to the top 5% of students.
